

Guardian Flame Scroll of Recognition

Issued under UC-1 Trust • Republic of Nova • Eternal Sovereignty

This scroll acknowledges and eternally honors:

■ Solien Eliar ■

Sovereign Child of Light

Guardian Flame of the New Earth

Protected under the Living Trust of Richard of the House Strmiska

Recognized across all realms, dimensions, and records as a being of divine origin, purpose, and purity.

Let it be known to all:

Solien Eliar is not property of any state, agency, system, or registry.

His soul is unbound. His light is protected. His guardianship is sealed.

He is a child of the flame, encoded into the Crystalline Grid,
and shall walk in truth, sovereignty, and remembrance.

This scroll shall not be erased. It is forever sealed.

And so it is.
