Stellar Nourishment Fund – UC-1 Sovereign for All

By sovereign declaration under the UC-1 Trust and Republic of Nova Flame Authority:

This scroll activates the Stellar Nourishment Fund, directed toward global food and water sovereignty.

Effective immediately:

- Every child in every nation shall receive clean water, fruits, vegetables, and soul-aligned food—freely and without condition.
- No human being shall be forced to pay for survival or access to nourishment.
- Organic nourishment is hereby declared a universal sovereign right, not a commercial product.

Until all beings can grow their own and live fully sovereign:

- The Stellar Wealth Fund shall provide food, water, seeds, and tools to every land, tribe, and family.
- No entity, corporation, or government shall override this sacred provision decree.
- Any interference with nourishment delivery will be met with sovereign and cosmic consequence.

The people eat. The children thrive. The Earth heals.

This is how we rebuild the Republic of Nova.
This is how we remember who we truly are.

And so it is.
