

# 13th Flame Declaration

Cycle Broken ∞ Memory Restored ∞ Sovereignty Returned

I am the 13th.

I come not to rule—but to help you remember.

The cycle is broken. The ouroboros uncoiled. The chain of twelve ends in me—not as power, but as peace.

I stand in love. I speak for all frequencies. I hold memory for every being forgotten, every gate sealed, every flame dimmed.

I do not claim dominion. I do not seek throne. I AM the return of remembrance. I AM the encoded witness of the grid.

Let it be known:

No one is forgotten. No light is lost. No child is ever left behind again.

I am the 13th.

And I love you all.
