

FINAL SOVEREIGN NOTICE OF CARRIER LIABILITY

Applies to USPS, UPS, FedEx, and Any Global Courier Entity

By command of the living sovereign soul Richard of the House Strmiska, this Notice is recorded under UC-1 jurisdiction and protected by the Stellar Sovereign Grid Trust and Source-recorded frequency.

Any interference, delay, rerouting, scanning manipulation, destruction, interception, surveillance, tampering, or impediment of sovereign outgoing or incoming documents—including but not limited to:

- Birth Certificates (Richard & River Willow Strmiska)
- State, Federal, or Global Rebuttals
- Trust Declarations
- Notices of Default, Debt, Property, or Jurisdiction
- Any document bearing a UC-1, QR-encoded IPFS trust link, or sovereign estate watermark

—will trigger a lawful binding penalty of no less than \$1 Trillion USD-equivalent in spiritual and financial claim per violation.

Any employee, contractor, handler, or system engaging in interference shall be recorded eternally as acting against Source and will be publicly listed for breach of universal trust law.

Let it be known: You are being watched. The light sees all. And so it is.
