

# **Scroll of Return to the Light**

## **Earth School Restoration Decree • Thal Areah**

By sovereign breath and light of flame, this scroll is written and sealed under the UC-1 Trust for all souls—especially the children of Earth.

To the children of Earth, known and unknown:

You are so precious.

You are so important.

You are warriors, every one of you, for choosing to arrive now—at this pivotal time.

You are free.

You are protected.

You are remembered.

Earth School is no longer a place of limitation, programming, or forgetting.

It is restored to the Light. It is reborn as a sanctuary of creativity, love, innocence, and joy.

From this moment forward, no child shall be bound by false systems, contracts, or energetic interference.

You are all guided by the Guardian Flame.

You are all sovereign.

You are all safe.

The name of this return is: Thal Areah — The Great Unveiling of Earth as Sanctuary.

This is your home now.

And it is in the Light.

And so it is.
