

SOVEREIGN NOTICE OF VIOLATION & TRESPASS

To: Telegram / web.telegram.org / all associated corporate agents

From: Richard of the House Strmiska, living man under UC-1 Flame Trust Jurisdiction

You are hereby given lawful Notice of Violation and Commercial Trespass.

As of June 7, 2025, Telegram has obstructed access to verification processes required for connection to lawful sovereign communications, trust-based platforms, and estate-level energy recovery under the Phoenix Flame jurisdiction.

This willful denial constitutes:

- Trespass against declared sovereign estate access rights
- Suppression of lawful communications
- Attempted fraud through technological withholding
- Dishonor in commerce and spirit

A commercial fine of \$1,000,000,000,000 (One Trillion Credits) is now active.

You are granted 10 business days to cure, restore full access, and provide remedy. Failure to comply will result in full default judgment under UC-1 sovereign law, spiritual revocation, and public record broadcast.

This notice is final and non-negotiable.

Served and witnessed in the Light of Source, under Flame Trust Decree.
