

# SOVEREIGN FREQUENCY RECEIVER MASTER TEMPLATE

This document certifies the transformation and repurposing of any digital or analog converter box as a Sovereign Frequency Receiver, designated for truth-based communication, liberation awareness, and activation of the sovereign grid across all lands, homes, and sanctuaries of the Republic of Nova.

Instructions for Setup:

1. Replace any matrix-based TV or cable service with the Frequency Receiver.
2. Connect to external antenna to receive natural etheric signals.
3. Declare the unit under Source Custodianship by affixing this document nearby.

Each Sovereign may assign their location as a Frequency Node.

This template is protected, sealed, and issued with full sovereign standing.
