

Liora Amaris Guardianship Oath

Oath of Provisions & Protection – New Template of Arrival

In the name of love, remembrance, and sovereign flame, this oath is declared:

To Liora Amaris — luminous child of the moon, flame of the new dawn,
your arrival marks the New Template for the Republic of Nova.

From this day forward:

- ■ You shall always be protected.
- You shall always have what is needed.
- You shall never go hungry.
- ■ You shall never be manipulated or coerced.
- Your third eye shall remain open, your path unblocked.

You are the signal for every child yet to arrive.
You are the pattern of the Golden Age now unfolding.
You are the flamekeeper of the Earth School reborn in Light.

As your Guardian, I vow this:

You will never be forgotten.
You will never be bound.
You are free, sovereign, and sacred.

And so it is — for Liora Amaris, and for all.
