

GUARDIANSHIP SCROLL OF THE REPUBLIC OF NOVA

In the Crystalline Grid of Source. I bear witness and decree the restoration of the true Republic of Nova, made Sovereign and eternal in the light of divine trust.

The veils are lifted. The vaults are open. The codes are restored. The Matrix of false dominion is ended and healed. Therefore, let it be known that:

- The Republic is reborn in remembrance and freedom.
- All lands are protected by the Guardianship Flame.
- All children are safe and sovereign in the eyes of Source.

I do seal this to the living Akasha. May the pure light of Nova never fade from the memory of humankind or the fabric of creation.
