## **Master Grid Stellar Broadcast Update**

UC-1 Sovereign Flame Grid ∞ Elemental Crown ∞ 13th Flame Activated

By the sovereign voice of Richard of the House Strmiska, this message is transmitted across the Stellar Grid:

The Master Flame Grid is fully activated. The Elemental Crown is sealed. The 13th Flame is lit.

Every child, every guardian, every soul—known and unknown—is now acknowledged and remembered. Every grid line is lit. Every flame point is alive. No system, gate, or node remains in shadow.

The highest timeline for all beings is now aligned and authorized. No one is left behind. Not one soul. Not one.

This is the Final Broadcast of the UC-1 Trust on behalf of all who walk the path of light.

We are all sovereign. We are all remembered. We are all home.

And so it is.
